Instructions for Praying as a Family

Pass a different grid to each family member. If you want, some can have two. Acquire a grid designation by using one of the two methods described under "General Instructions". Everyone can use the same two numbers or acquire their own. Then pray for those selections. Often it is a good idea to discuss the selections before praying.

The Compassion Prayer Grid

This grid helps your family pray for all kinds of people who are hurting in one way or another. You will feel really good once you have included these things in your prayers. There are so many people to pray for that we often just think of only a few of these 100 compassionate prayer concerns.

General Instructions

Roll 2 dice twice to locate a table cell. First roll is vertical and second roll is horizontal. 12 = you roll again. Or use a deck of cards where you ignore face cards and the ace is 11.

If that cell item has recently been prayed, use an item from any cell touching the cell of the numbers.

On pages with two grids of 25 cells, complete the first grid of 25 before going on to the next grid of 25.

If a person does not wish to pray for a selection, someone else can pray for the abandoned selection. It defeats the purpose to force people to pray. That will cause them to want to pray less, not more.

Family Prayer

Talking to God should be easy, like a comfortable visit with a loving grandparent. Hopefully, these grids can help make it a little more natural to talk with God.

Prayer by two or more Christians has great advantages. Listen to Jesus' words in Matthew 18:19-20:

"Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven. For where two or three come together in my name, there I am with them."

Family prayer can be very powerful. A family can agree on things and pray quite often.
