Instructions for Praying as a Family

Pass a different grid to each family member. If you want, some can have two. Acquire a grid designation by using one of the two methods described under "General Instructions". Everyone can use the same two numbers or acquire their own. Then pray for those selections. Often it is a good idea to discuss the selections before praying.

The Missions & Ministry Prayer Grid

Often we pray for missionaries in general. This grid helps you to break that prayer down to more specifics. Those specific ministries listed are the main ones that are not denominational. There are many more than those listed.

Your family might want to make up another grid of your church denomination's ministries.

General Instructions

Roll 2 dice twice to locate a table cell. First roll is vertical and second roll is horizontal. 12 = you roll again. Or use a deck of cards where you ignore face cards and the ace is 11.

If that cell item has recently been prayed, use an item from any cell touching the cell of the numbers.

On pages with two grids of 25 cells, complete the first grid of 25 before going on to the next grid of 25.

If a person does not wish to pray for a selection, someone else can pray for the abandoned selection. It defeats the purpose to force people to pray. That will cause them to want to pray less, not more.

Family Prayer

Talking to God should be easy, like a comfortable visit with a loving grandparent. Hopefully, these grids can help make it a little more natural to talk with God.

Prayer by two or more Christians has great advantages. Listen to Jesus' words in Matthew 18:19-20:

"Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven. For where two or three come together in my name, there I am with them."

Family prayer can be very powerful. A family can agree on things and pray quite often.
